

**Framework Agreement for  
Collection and Disposal of Solid Waste**

**Addendum # 1**

With reference to the above Tender process we wish to respond to the following points of queries as received from bidders:

No.	Query Received	Response
1.	The rate of \$1200.0 for hill or distance trip is still too low. We are proposing at least \$2000.00 per trip.	Please see revised Standard Collection Rate Sheet – Appendix A (MPM)
2.	No commercial rates were mentioned for contractors doing only commercial work.	Please see revised Standard Collection Rate Sheet – Appendix A (MPM)
3.	<p>The payment schedule of 7<sup>th</sup> &amp; 22<sup>nd</sup> of each month to be included in the agreement.</p> <p>To supply all contractors with a formal payment advice after payments are made.</p> <p>Based on the inconsistent method of payment over the years we are proposing that after five days from payment dates a late fee of 5% be charged.</p>	<p>Please see appendix H Section 20 (f) which is equivalent to a thirty (30) days payment schedule.</p> <p>Contractors will be informed whenever a payment is made.</p> <p>This cannot be accommodated.</p>

4.	Objection to the appendix H 8h (General Conditions of Contract). This is basically telling us to provide tools for MPM staff, if we do who will be accountable for lost or damage to tools?	Each region will provide consumables (such as gloves, mask etc) for sidemen.  Each unit must be equipped with tools (shovel, rake, broom, and spade) by contractor.  Each contractor is responsible to assign a custodian who will be responsible for the safeguarding of their tools.
5.	Number of sidemen to be assigned to each unit was not stated in agreement. We are proposing the maximum 4 able body persons or minimum of 3.	A minimum of two (2) maximum of four (4) sidemen will be assigned to a unit.
6.	Can we get some clarification on Appendix H General Condition of Contract 5 staff c.	Please take as read.
7.	Request to have Framework Submission date extended based on unsettled issues	The new bid submission deadline is Wednesday, September 20, 2017 at 11:00am
