Dear Bidder,

Re: RFP # 2019-01-30L

Reference is made to the tender document for Procurement of the Leasing and Maintenance of Garbage Trucks **RFP#:2019-01-30L**. **Kindly note the following amendments: -**

#	Page	Original	Revised
5.3 # 10	23	Copy of Proposed Maintenance Agreement (Maintenance Schedule and Terms and Conditions)	Copy of Proposed Maintenance Schedule
35.0	27	The Performance Security acceptable to the Procuring Entity shall be in the Standard Form of Bank Guarantee (Unconditional) for contract value over 15million. The amount shall be ten (10) percent (%) of contract price.	This procurement is not one that involves any acquisition on the part of NSWMA, but instead is a leasing agreement. Since maximum risk is absorbed by the lessor, a decision has been taken to remove the requirement for a performance bond/ security guarantee valuing 10% if the contract sum. The Lease Agreement will, however,
