

Ms. Daphne Hurge O.D, J.P has over thirty (30) years of management and leadership experience working in the public sector; specifically, at the local authority level within Kingston and St. Andrew. During this period, some areas of responsibilities included the day-to-day operations of nineteen (19) markets and arcades, vending regulation in Downtown Kingston, garbage collection and disposal along with the maintenance of gullies and beautification projects in Mandela, St. William Grant and Papine Parks and also Mandela Highway median.

Since the mid 1960's, Ms. Hurge has developed programmes aimed at delivering life skills to youths and young adults in Western Kingston- a community that she is passionate about and one that she continues to work alongside- with no end date in mind.

An active member of the Anglican Church, Ms. Hurge is a member of NSWMA Corporate Governance Committee and has served on the Boards of the Social Development Commission, Nutrition Products, Church of the Holy Spirit Basic School, Denham Town Primary School, and Institute of Sports.
